# HIGH FIVE WORKSHOP

We are Committed to Quality!

The City of Peterborough, Recreation Division is an Authorized Training Provider for **HIGH FIVE** programs, and is pleased to be offering workshops this fall for community participation.

The **Principles of Healthy Child Development** workshop will introduce you to the five principles and the three guidelines that are components of a successful quality program for children and youth. This workshop will help recreation and sport practitioners to gain knowledge and expertise in using effective approaches that support healthy child development. The Principles of Healthy Child Development is a great learning experience for both Administrative and Front-Line staff.

This one-day workshop is being offered at the **Norwood Town Hall** on the following date:

- **Saturday February 4th, 2012**  
9:00 am - 3:30 pm

**COST: FREE**
